Date of Birth: _____ / _____ / _____ Medical Record Number (MRN): _____

I understand that Hawaii Pacific Health and its affiliate health care providers (collectively, "HPH") share an integrated electronic medical record. I also understand the general policy of HPH is not to disclose my protected health information (PHI) to others without my permission unless they are directly involved in my care, or as permitted or required by law. Therefore, I am requesting proxy access to MyChart by Hawai'i Pacific Health for the person(s) named below. I understand this does not allow those identified to make health care decisions for me or to have full access to my records.

Please note: your proxy(ies) must have their own MyChart account to access your MyChart record. Hawai'i Pacific Health will create a MyChart record for your proxy(ies) if they do not already have one.

Submit completed forms to your doctor's office or to Straub Medical Reports Services (fax: 522-4285). Call 522-4285 if you need assistance.

- Proxy activities within my MyChart account may be tracked electronically and entries may become part of the health record.
- MyChart proxy(ies) will be able to view everything I can see, including but not limited to: my problem list, medication list, medical history, messages between me and my doctors, past and future appointments, and test results.
- MyChart proxy access is provided as a convenience to patients. Hawai'i Pacific Health has the right to end proxy access at any time, for any reason.
- Use of MyChart by Hawai'i Pacific Health proxy access is voluntary and I am not required to use proxy access.
- My request for MyChart proxy access for the above person(s) includes permitting them to discuss my care with my physician(s), to view, update and/or make changes to the following information in MyChart:
 - Financial information such as billing, payment, my insurance information;
 - Appointments;
 - Request prescription refills;
 - Send messages to my providers on my behalf; and
 - Make changes to demographic information such as address, phone, e-mail, etc.
- MyChart proxy access I grant to another adult will not automatically expire. However, I may cancel my proxy's access at any time by going into MyChart and selecting "revoke access" or by notifying HPH in writing.
